For waiver details and course equivalence tables for your college.

## THE RIT EDGE

**Make it your own** by creating your personal brand with a Saunders MBA. Access RIT resources to connect with the many nationally recognized STEAM (Science, Technology, Engineering, Arts and Math) disciplines at RIT. Use free electives and customized concentrations that leverage an open curriculum architecture allowing you to access graduate courses from any of the 9 RIT colleges.

## CONCENTRATE ON YOUR SPECIALTY

Choose from a variety of concentrations that best fit your career goals. Choose popular business disciplines such as **Finance**, **Marketing**, and **Entrepreneurship**. Or choose one of our popular joint concentrations built in partnership with other RIT colleges including **Supply Chain Management** and **Engineering Management** with the College of Engineering, and **Health Systems Administration** with the College of Health Sciences and Technology. Or create a custom concentration using any graduate course offered at RIT (subject to prerequisites and academic advisor review).

## DIGITAL CORE

Saunders infuses digital technology into its MBA core courses, leveraging the RIT tradition in technology excellence. Faculty teaching **Management Information Systems** courses are recognized by *USA Today* as top-10<sup>i</sup> in the country, representing our fastest growing concentration, thanks largely to employer demand.

## MBA PROGRAM RANKINGS
