The RIT Edge

At Rochester Institute of Technology, Saunders graduate programs allow you to pursue your passions. Choose from many popular MBA concentrations, or specialized Master of Science degrees that are enhanced by collaboration across nine RIT colleges that are recognized for excellence in technology, arts, engineering and design.

Masters of Science Saunders Programs

Saunders College of Business at RIT also offers several Master of Science (MS) programs. Different from our MBA program that provides a broad base of business disciplines, our MS programs are designed to deliver curriculum that is specialized in a specific discipline.

One-Year Accelerated 4+1 MBA Program

As a Saunders undergraduate student, you have a built-in pathway to the Master of Business Administration (MBA) one-year program. **Waive select core MBA courses** with a combination of specific undergraduate courses completed with a **"B/80" grade** or better. Courses must be completed within five years of starting your MBA program. If students do not complete all waivers, they can use the summer term(s) to complete the MBA program in at least one calendar year.

Popular business concentrations:

- Supply Chain Management
- Digital Marketing
- Entrepreneurship
- Technology Management
- Business Analytics
- Finance

Sample specialized concentrations:

- Cyber Security
- Information Technology
- Public Policy
